ADMISSION AND ATTENDANCE OF INCARCERATED STUDENTS

WHEREAS, Guam Community College believes that each and every individual should have an opportunity for education regardless of past academic or judicial record, and

WHEREAS, the College's adult/postsecondary educational programs frequently serve as a component of community rehabilitation efforts for criminal offenders, and

WHEREAS, it is the College's responsibility to provide a secure learning environment for all students attending classes on College premises, the College enrolls in on-campus adult/postsecondary educational programs only those incarcerated students who, in accordance with law, executive order, judicial order, or other official mandate, have been determined eligible for participation in off-compound educational programs by the incarcerating institution, and

WHEREAS, incarcerated students remain under the supervision and security of the institution that is assigned their custody during attendance on College premises.

NOW, THEREFORE, BE IT RESOLVED, that levels of on-campus supervision and security for all incarcerated students shall be in accordance with law, executive or judicial order, or other official mandate, and shall comply with established inter-institutional agreements which specify the conditions under which incarcerated students shall attend educational programs on College premises.

BE IT FURTHER RESOLVED, that failure of the incarcerating institution to provide required levels of supervision and/or security for any incarcerated student(s) under its custody during any semester of term, or to comply with requirements or conditions contained in established inter-institutional agreements, or with other College policies or regulations, may result in the College denying admission or revoking attendance privileges for such incarcerated student(s).
