

DEGREE

Associate of Science in Practical Nursing

Total Credit Hours: 76-77

About Associate of Science in Practical Nursing

The mission of the Nursing and Allied Health Department is to generate locally educated and licensed nurses to work in the various health care provider agencies on Guam and the Pacific region. The Guam Community College Nursing Program is committed to providing career guidance and education in nursing to those students from Guam and the Pacific region who desire to become Practical Nurses. Upon completion of program requirements, students will earn an Associate's Degree in Practical Nursing and will be eligible to apply and take the National Council Licensure Examination for Practical Nurses (NCLEX-PN). Licensure is granted through the Guam Board of Nurse Examiners.

Academic Advising

To ensure success, an academic advisor is available to guide students in our programs. Meeting with our counselors or an academic advisor is the first step in starting an educational plan for any of our programs. The counselors are located in the Student Services & Administration Building 2000. The Nursing Department is located on the second floor of the Anthony A. Leon Guerrero Allied Health Building 3000. For more information contact the Nursing & Allied Health Administrator Dorothy-Lou M. Duenas, MSN, RN, dorothylou.duenas@guamcc.edu for assistance.

2023-2024 College Catalog

GENERAL REQUIREMENTS FOR ASSOCIATE DEGREE

Recognizing the necessity for students to succeed in the complex and rapidly changing workplace, Guam Community College offers a general education curriculum that introduces students to major areas of knowledge and methods of inquiry. All degree programs require an interdisciplinary general education component that promotes the development of intellectual skills that enable students to become effective learners and informed citizens. Critical thinking, the use of language and computation, appropriate social skills, global awareness and respect for diverse opinions are among the learning outcomes provided in the general education requirements of each program.

Guam Community College believes that general education provides the academic foundation necessary for students to achieve their life goals. General education is intended to offer students a breadth of quality student learning experiences, encourage their respect for cultural heritage, promote their ethical and responsible social behavior and facilitate their lifelong learning.

The General Education program strives to foster student learning and skill development in civic engagement, critical thinking, understanding of the relationship between the individual and society, information literacy, oral communication, quantitative reasoning, and written communication.

Guam Community College believes that high quality general education opportunities for all citizens are necessary for democratic principles and practices to exist and for a sound economy to flourish. The College continually scrutinizes the general education curriculum in order to assure that all degrees and certificates granted by the College support this vision of general education and that it serves as a means to inspire hope, opportunity and responsibility in all its constituencies.

Requirements for General Education follow the options described below. Students declared prior to fall 2010 will follow the requirements indicated in the applicable catalog in which they first declared their major program at the College.

Notes on General Education requirements

Students are advised to check the requirements for their specific programs before taking General Education courses.

Courses chosen to meet the general education requirements may not be used to meet the Major Requirements of a student's specific degree program.

The list contains courses with pre-requisites, so students should make their choices carefully and thoughtfully. Students may consult a counselor or an academic advisor for guidance in choosing any of the course options listed.

Career Opportunities...

Opportunities for employment in the healthcare industry are increasing on Guam and nationwide. Whether you want to work in a hospital or nursing setting, an ambulance, a clinic, or any healthcare related area, GCC's Nursing & Allied Health Department is here to help you succeed. We employ qualified faculty who are experts in their area of instruction and work together to provide students with the best education available. Successful completion of our programs provide the opportunity for both local and national certifications.

[Student Learning Outcomes](#)

Upon successful completion of the AS in Practical Nursing program, students will be able to:

1. Utilize established standards and practice guidelines to help client restore, promote and maintain physical and mental health throughout their lifespan.
2. Apply therapeutic communication with patients, patient support-persons and members of the health-care team.
3. Employ evidence-based decision making to deliver safe and effective client care and to evaluate client outcomes.
