

Foodservice Managers Certification | ServSafe Workshop

GCC's Culinary and Foodservices Department offers Foodservice Managers Certification (FSMC) workshops to assist operators of food establishments and those seeking to operate one.

Guam Department of Public Health and Social Services Division of Environmental Health **requires** all *food service establishment operators, retail facilities and temporary food service establishments* to have an on-duty manager or supervisor possessing a Certificate of Manager's Certification during operating hours.

All food service establishment operators, retail facilities and temporary food service establishments must obtain a **Certificate of Manager's Certification** that is in compliance with the Division of Environmental Health's (of Department of Public Health and Social Services) Rules and Regulations Governing the Issuance of Health Certificates adopted in May 2015 and implemented June 1, 2016.
