POWERED BY

We all have a part to play in keeping our campus community safe and healthy.

That's why GCC joined the #CampusClear initiative that allows everyone who comes on campus to self-screen and know when it is responsible to come on campus and when it is best to stay home.

As part of the #CampusClear initiative, we ask that all students, campus guests and employees take part in daily self-screening before entering the GCC campus. Through this initiative, we hope to encourage a culture of awareness and social responsibility.

We ask everyone who plans to enter the GCC campus to download the Campus Clear app in the Apple App Store or Google Play, or you can login to <https://web.ivy.ai/app/campusclear> [3]; and answer the short daily screening questionnaire.

At GCC, Community matters. We all have an important role in ensuring that we cultivate a healthy campus experience.
