

Tutoring Services

Guam Community College provides tutoring services through various departments and programs such as Project Aim in an effort to help students meet their educational objectives. These services are available on a first-come, first-served basis. The focus of these services centers primarily on English and Math skills. Contact the Project AIM Office (2nd floor, Student Center) at 735-5595 for tutoring services.

**Reach for College Program Tutoring Service:
8:00 AM - 6:00 PM in Room 5201**

Tutors are available to assist RFC participants between the hours of 2:00 – 7:00 pm at the Reach for College Tutoring Room (Room 5201 on the 2nd floor of the Student Center (Building 5000)). This service is offered in support of our participants' educational endeavors and we hope that participants will significantly benefit from this assistance.
