

Accreditation

The Guam Community College's application for the reaffirmation of its accreditation status by the Accrediting Commission for Community and Junior Colleges (ACCJC), Western Association of Schools and Colleges (WASC) has been approved for a full seven years - the maximum period allowable. The Commission examined the institutional evidence of student learning and achievement, the Institutional Self Evaluation Report, the External Evaluation Report, and documents from previous evaluations and determined that GCC complies with the Eligibility Requirements, Accreditation Standards, and Commission policies. On June 13, 2018, the College received notice from ACCJC of its action to reaffirm accreditation. You may review the 2018 External Evaluation Report and the 2018 Accreditation Notification Letter from ACCJC President Dr. Richard Winn posted below.
