

Dual Enrollment Accelerated Learning (DEAL) Program

ENTRY TERM: _____

The **Dual Enrollment Accelerated Learning (DEAL)** Program allows eligible students to enroll in college courses concurrently with high school classes and to receive both high school and college credit simultaneously. Guam Community College (GCC) has DEAL program agreements with Guam's public high schools, with Father Duenas Memorial School, Notre Dame High School, the Home School Association of Guam, and several other private/charter schools.

INSTRUCTIONS & CHECKLIST

Instructions: Please fill in the application and use the checklist to guide you with the process for registering for Guam Community College's Dual Enrollment Accelerated Learning (DEAL) program.

1. The student's parent/guardian must fill out the application and sign to indicate approval for the student to participate in the DEAL program.
2. Meet with the school counselor to discuss your plans to enroll in DEAL and obtain the Principal's approval for the transfer of credits from GCC. Registration for fall, spring, and summer may open as early as two to three months from the start of the term. Classes for college-level English and math fill quickly. Therefore, GCC recommends registering as early as possible.
3. **Schedule a meeting with Dr. Christine B. Sison, Associate Dean**, to submit your DEAL application and to discuss the registration process. Please email christine.sison@guamcc.edu or contact 735-5589 ext. 0205.
4. Fill in the Guam Community College **Admissions form**.
5. Provide your **updated shot records**, including your **TB skin test**, to Guam Community College's Health Center. Negative TB skin test results must be valid within one year prior to registration. TB shots are free at GCC, or you may visit your private clinic and present your TB results. Please allow 2-3 days for TB test readings. Go to the Health Center's website to contact our staff for more information at <https://www.guamcc.edu/HealthCenter>
6. Upon receiving a GCC ID number, the student may make payment for their placement test in person at GCC, Building 2000, between 8 a.m. to 4 p.m., or the student may pay online. Payment methods accepted online include VISA, Master Card, and American Express. The placement test fee is \$22 and non-refundable. Fees may be subject to change. Please **schedule the placement test online** at <https://www.guamcc.edu/PlacementTest>. You will need your placement test receipt number to schedule your test.
7. **Take the GCC Placement test.** The student will meet with a GCC counselor or proctor for the Placement Test.
8. **Register for classes.** Upon completion of your placement test, a counselor may assist you with registering for the college math or English course based on the results and what is indicated in the DEAL agreement with your respective school.
9. After registering, payment for the GCC course(s) may be made at the cashier's office, Room 2119, online, or by phone. **To make a payment online or via phone, please call (671)735-5550 Ext. 5400 or email businessoffice@guamcc.edu**
10. We encourage students to attend the New Student Orientation to learn more about GCC's student support services.
